COVER

PROFILE

An *international musician,* redefining the live performance.

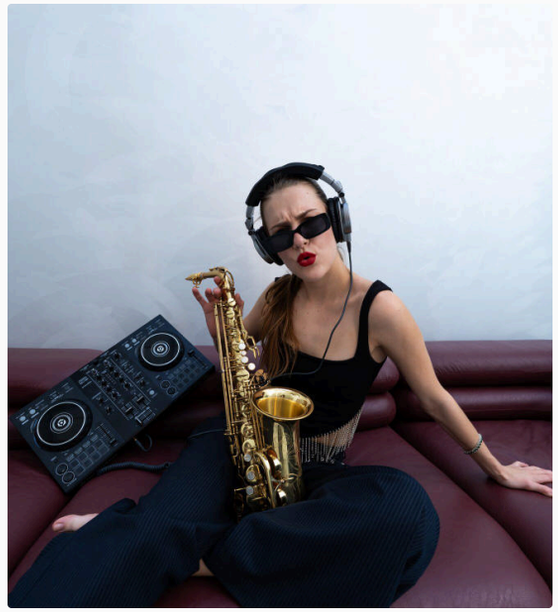

Violetta is a multi-disciplinary performer whose work moves beyond the ordinary, blending genres from house and afro to ethnic harmonies — built live around saxophone, flute, vocal, and DJ.

Whether stripped back into an intimate set or expanded into a full live show, Violetta channels sound as energy, creating sacred spaces on the dancefloor where rhythm meets soul.

Visions

VIOLETTA · 2026

"Music is freedom. I create journeys where the body and spirit move as one."
